

COMPLETED BTI PROJECTS

Littlejohn`s Restaurants (UK) Ltd
Inverness
Scotland

This Scottish based Restaurant chain used the services of BTI on a design and build basis for a number of small refurbishment schemes together with larger new build and conversion of projects to which the following I was responsible for the interior design.

Hanover Street
Edinburgh

A two storey conversion and change of use, to an externally listed building. Full interior design and project management of same.
10 week contract £495000

The Salon
`The West End`
Glasgow

This Grade two Listed cinema was converted into a themed site based on the silent movie era & this continues today with short archive film footage being screened regularly so that diners can absorb the relaxed surroundings of a bygone era.
10 week contract £425000

The Beaches
High Street
Salisbury

This Grade two Listed 15th century Tudor Building underwent major conversion and took 2 years to get from initial Planning Permission and listed building consent to contractual handover. (work was halted after unearthing a well.)
12 week contract £325000
